Stratoline Streamlux DeLuxe Standard

FEATURES EXCLUSIVE OR ORIGINAL WITH Amerock

DESIGN GROUPINGS Distinctive design groupings at graduated price levels provide a wide selection of quality cabinet hardware for every purse and purpose. From its very inception the "Amerock" line has been noted for leadership both in character and diversity of design.

EASY WORKING CATCHES Improved precision winged latch bolt mechanism (patent No. 2,235,278) provides lifetime service and requires no lubrication for smooth, positive action. Extra long throw of sliding bolt moving parallel with door assures perfect operation regardless of ordinary swelling or shrinkage of door.

MATCHED ENSEMBLES Knobs, Pulls, Hinges and Catches of each design pattern "match" perfectly in design giving complete harmony to the finished installation. Plastic molded bases and color-embossed lines in six beautiful color combinations match the color scheme of any kitchen or bathroom.

ENVELOPE PACKING Individual wrapping and packing in printed envelope protects finish and prevents loss of screws and small parts. Templates or simplified installation instructions included where necessary. Look for the "Amerock" seal on every package — your guarantee of quality.

AMEROCK DEMONSTRATORS Thousands of these famous displays are showing customers the beautiful new Amerock designs. This unique merchandising display demonstrates how each item is installed and how it works! Patented "Color Selector" (Pat. No. 2,312,532) aids in harmonizing hardware colors with any room decoration.

BEAUTY-SEAL PLATINGS Heavy under-platings seal pores of metal to prevent rust and tarnish. A heavy Chromium deposit is then applied, assuring a brilliant finish of lasting beauty. Wiping occasionally with a soft cloth is all that is necessary to restore the original brilliance.

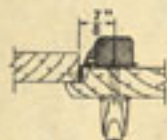

AMERICAN CABINET HARDWARE CORP.
ROCKFORD, ILLINOIS

SOLD THROUGH LEADING
JOBBER AND DEALERS

Stratoline

No cost has been spared to make *Stratoline* the very finest in Cabinet Hardware. Generous in size, this pattern is also perfectly suited for use on store fixtures, restaurant equipment, etc. Made of solid Neo Die Cast and beautifully finished in lustrous Polished Chromium plating. Heavy underplatings of both copper and nickel assure a Chromium finish of lasting beauty.

Catch Applied to Overlapping Doors Using "D" Strike

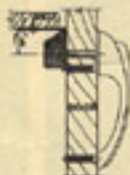

"D" Strike

"F" Strike

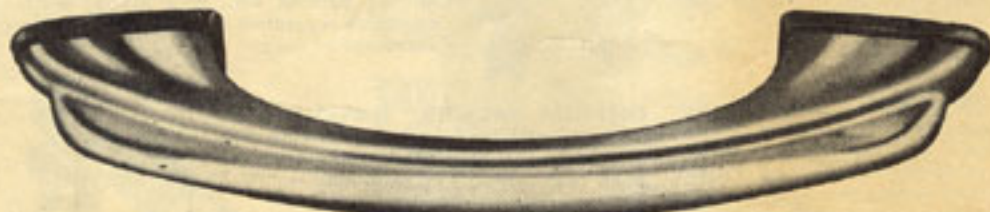

Catch Applied to Flush Door Using "F" Strike with Formed End broken Off

Catch Applied to Flush or Overlapping Door Using "F" Strike Applied to Under Side of Shelf. Suggested for Double Door Installation.

No. ED9408 Catch — Actual Size
Neo Die Cast — 3" Centers, 4 $\frac{5}{8}$ " Overall
* Polished Chromium Plated
List Price—\$5.85 each; \$10.20 dozen
One dozen in a Carton weigh 3 $\frac{3}{4}$ lbs.
(Patent No. D140,765)
(Canada Pat. 1945)

Reversible — for right hand or left hand doors up to 1 $\frac{1}{8}$ " thick. Two strikes included with each catch for flush or overlapping doors and for under-shelf application. Easy to apply, complete instructions furnished. Precision winged latch bolt mechanism (Patent No. 2,233,278) requires no lubrication for smooth, positive action. Ordinary swelling or shrinkage of doors will not affect catch adjustment.

No. ED408 Drawer Pull — Actual Size
Neo Die Cast — 3 $\frac{1}{2}$ " Centers, 5 $\frac{1}{8}$ " Overall
* Polished Chromium Plated
List Price—\$4.45 each; \$5.40 dozen
One dozen in a Carton weigh 2 $\frac{1}{4}$ lbs.
(Patent No. D140,761)
(Canada Pat. 1945)

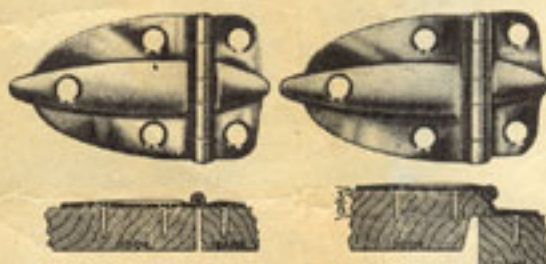

Red Base Black Base No Base

*No. ED9408 Catch and Nos. ED408 and ED418 Pulls are packed with both red and black plastic bases in each envelope. This gives user the choice of red or black colored accent; or if extreme simplicity is preferred, the colored bases can be omitted. Ivory, Green, Delphinium Blue and Yellow bases can be purchased separately at a retail value of 5c each; \$.60 dozen bases.

No. ED418 Door Pull — 1/2" Actual Size
Neo Die Cast — 3" Centers, 4 $\frac{5}{8}$ " Overall
* Polished Chromium Plated
List Price—\$4.45 each; \$5.40 dozen
One dozen in a Carton weigh 2 $\frac{1}{4}$ lbs.
(Patent No. D140,762)
(Canada Pat. 1945)

No. E 3080 Steel Hinge
No. E3080 Brass Hinge
(1/2" Actual Size)
1 $\frac{1}{2}$ " Joint — 2 $\frac{1}{16}$ " Wide
For Flush Doors

No. E3082 Steel Hinge
No. E3082 Brass Hinge
(1/2" Actual Size)
1 $\frac{1}{2}$ " Joint — 2 $\frac{1}{16}$ " Wide
For 1/8" Offset Doors

List Price — Polished Chromium Plated
Steel Hinges—\$5.50 pair; \$6.00 dozen pairs
Brass Hinges—\$6.66 pair; \$7.92 dozen pairs
One dozen in a Carton weigh: Steel—2 lbs. Brass 2 $\frac{1}{2}$ lbs.
(Patent No. D140,763)
(Canada Pat. 1945)

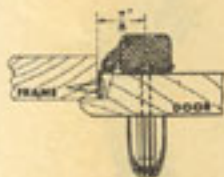

No. ED525 Knob — 1/2" Actual Size
Neo Die Cast — 1" Diameter
Polished Chromium Plated
List Price—\$5.28 each; \$3.36 dozen
One dozen in a Carton weigh 1 $\frac{1}{2}$ lbs.

No. ED530 Knob — 1/2" Actual Size
Neo Die Cast — 1 $\frac{1}{4}$ " Diameter
Polished Chromium Plated
List Price—\$5.33 each; \$3.96 dozen
One dozen in a Carton weigh 1 $\frac{3}{4}$ lbs.

Streamlux

Streamlined style and luxury in the medium price field is offered by the beautiful *Streamlux* patterns. Made of Neo Die Cast, an improved zinc die cast of unusual strength. Purity of the metal and "Beauty Seal" platings assure a brilliant Chromium finish of lasting beauty. Regularly supplied with black color embossed lines.

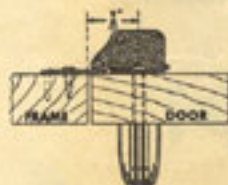

Catch Applied to Overlapping Doors Using "D" Strike

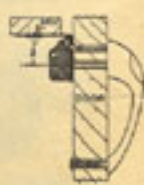

"D" Strike

"F" Strike

Catch Applied to Flush Door Using "F" Strike with Formed End broken Off

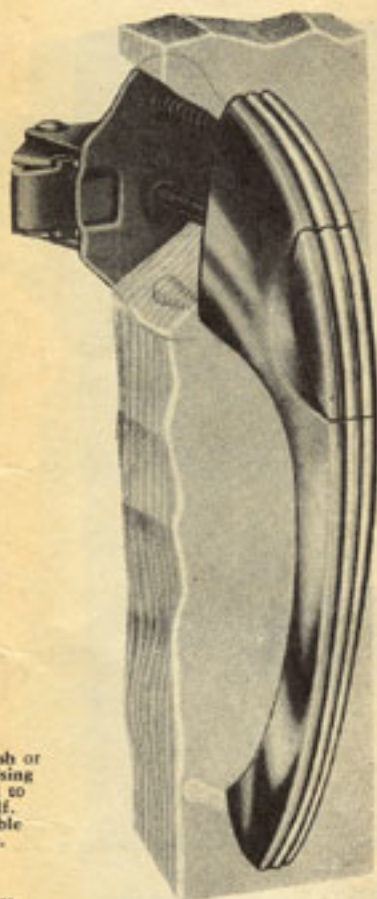

Catch Applied to Flush or Overlapping Door Using "F" Strike Applied to Under Side of Shelf. Suggested for Double Door Installation.

No. ED9400 Catch—Actual Size
Neo Die Cast— $3\frac{1}{2}$ " Centers, $4\frac{1}{16}$ " Overall
Polished Chromium—Black Lines
List Price—\$5.65 each; \$7.80 dozen
One dozen in a Carton weigh $3\frac{1}{4}$ lbs.
(Patent Nos. D126,551 and 2,304,145)

Reversible — for right hand or left hand doors up to $1\frac{1}{8}$ " thick. Two strikes included with each catch for flush or overlapping doors and for under-shelf application. Easy to apply, complete instructions furnished. Precision winged latch bolt mechanism (Patent No. 2,233,278) requires no lubrication for smooth, positive action. Ordinary swelling or shrinkage of doors will not affect catch adjustment.

No. ED400 Drawer Pull—Actual Size
Neo Die Cast—3" Centers— $4\frac{3}{8}$ " Overall
Polished Chromium—Black Lines
List Price—\$3.33 each; \$3.96 dozen
One dozen in a Carton weigh $1\frac{1}{4}$ lbs.

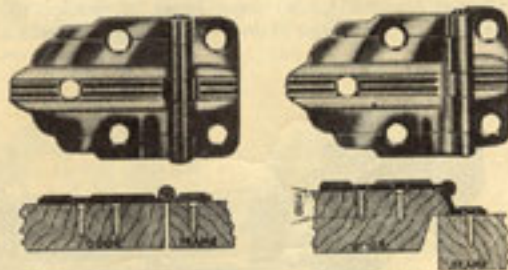

No. ED405 Door Pull— $\frac{1}{2}$ " Actual Size
Neo Die Cast— $3\frac{1}{2}$ " Centers, $4\frac{1}{16}$ " Overall
Polished Chromium—Black Lines
List Price—\$5.33 each; \$3.96 dozen
One dozen in a Carton weigh $2\frac{1}{8}$ lbs.
(Patent No. D126,551)

No. ED526 Knob— $\frac{1}{2}$ " Actual Size
Neo Die Cast—1" Diameter
Polished Chromium—Black Lines
List Price—\$3.31 each; \$3.72 dozen
One dozen in a Carton weigh $1\frac{1}{2}$ lbs.

No. ED531 Knob— $\frac{1}{2}$ " Actual Size
Neo Die Cast— $1\frac{1}{4}$ " Diameter
Polished Chromium—Black Lines
List Price—\$3.36 each; \$4.32 dozen
One dozen in a Carton weigh $1\frac{1}{4}$ lbs.

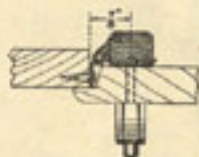

No. E3050 Steel Hinge
($\frac{1}{2}$ " Actual Size)
 $1\frac{1}{2}$ " Joint— $2\frac{3}{8}$ " Wide
For Flush Doors

No. E3052 Steel Hinge
($\frac{1}{2}$ " Actual Size)
 $1\frac{1}{2}$ " Joint— $2\frac{3}{8}$ " Wide
For $\frac{3}{8}$ " Offset Doors

Polished Chromium Plated—Black Lines
List Price—\$5.50 pair; \$6.00 dozen pairs
One dozen pairs in a Carton weigh 2 lbs.
(Patent No. D126,566)

De Luxe

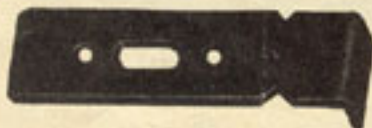

For colorful kitchens, this popular pattern offers an outstanding value. Made of solid brass, heavily chromium plated and highly polished to a beautiful "jewel like" finish. Plastic molded bases and color embossed lines regularly supplied in red or ebony black. Delphinium blue, ivory, green, or yellow to order. Black furnished unless otherwise specified.

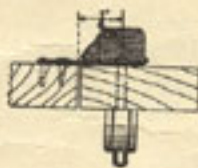

Catch Applied to Overlapping Doors Using "D" Strike

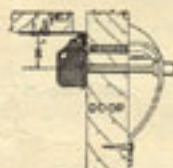

"D" Strike

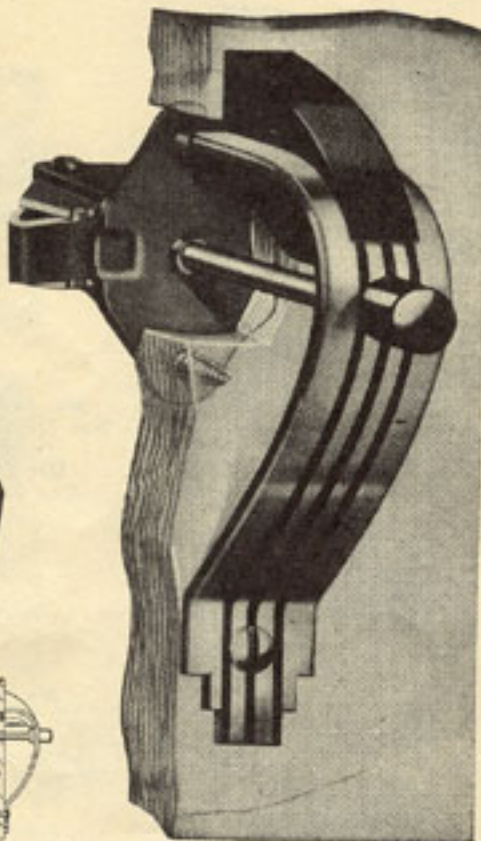

"F" Strike

Catch Applied to Flush Door Using "F" Strike with Formed End broken Off

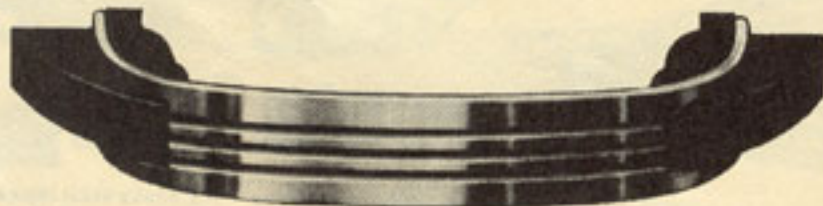

Catch Applied to Flush or Overlapping Door Using "F" Strike Applied to Under Side of Shelf. Suggested for Double Door Installation.

No. E08760 Catch—Actual Size Brass—2½" Centers, 3¾" Overall Polished Chromium—Colored Trim
List Price—\$4.60 each; \$7.20 dozen
One dozen in a Carton weigh 2¼ lbs.
(Patent No. D109,464)

Reversible— for right hand or left hand doors up to 1½" thick. Two strikes included with each catch for flush or overlapping doors and for under-shelf application. Easy to apply, complete instructions furnished. Precision winged latch bolt mechanism (Patent No. 2,233,278) requires no lubrication for smooth, positive action. Ordinary swelling or shrinkage of doors will not affect catch adjustment.

No. E08260 Drawer Pull—Actual Size Brass—3" Centers, 4¼" Overall Polished Chromium—Colored Trim
List Price—\$4.40 each; \$4.80 dozen
One dozen in a Carton weigh 1½ lbs.
(Patent No. D109,464)

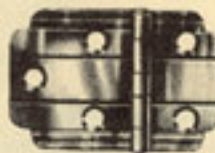

No. E08215 Door Pull—½" Actual Size Brass—2½" Centers—3¾" Overall Polished Chromium—Colored Trim
List Price—\$4.40 each; \$4.80 dozen
One dozen in a Carton weigh 1¼ lbs.
(Patent No. D109,464)

No. E5570 Knob—½" Actual Size Steel, Stainless Steel Cap—1" Diameter Polished Chromium—Color Embossed Line
List Price—\$2.20 each; \$2.40 dozen
One dozen in a Carton weigh 1 lb.

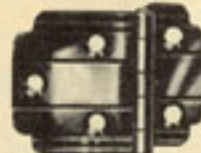

No. E547 Knob—½" Actual Size Steel, Stainless Steel Cap—1¼" Diameter Polished Chromium—Color Embossed Line
List Price—\$2.22 each; \$2.64 dozen
One dozen in a Carton weigh 1¼ lbs.

No. E3067 Steel Hinge
(½" Actual Size)
1½" Joint—2¼" Wide
For Flush Doors

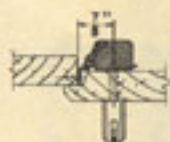

Polished Chromium Plated—Color Embossed Lines
List Price—\$5.44 pair; \$5.28 dozen pairs
One dozen pairs in a Carton weigh 2 lbs.

No. E3069 Steel Hinge
(½" Actual Size)
1½" Joint—2¼" Wide
For ¼" Offset Doors

Standard

These patterns offer outstanding values in quality Cabinet Hardware at low cost. Beautiful modern styling in "matched" designs. Catch and Pulls in right hand column are designed for outside mounting with oval head wood screws. Heavy underplatings seal pores of the metal and assure a Chromium finish of lasting beauty.

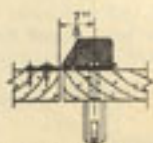

Catch Applied to Overlapping Doors Using "D" Strike

"D" Strike

"F" Strike

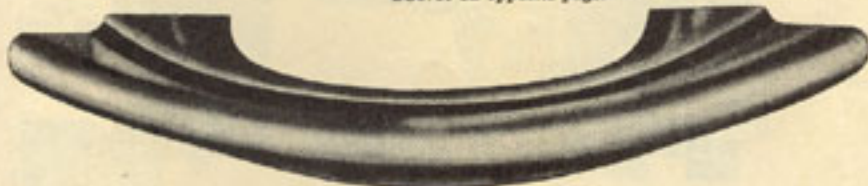

Catch Applied to Flush Door Using "F" Strike with Formed End broken Off

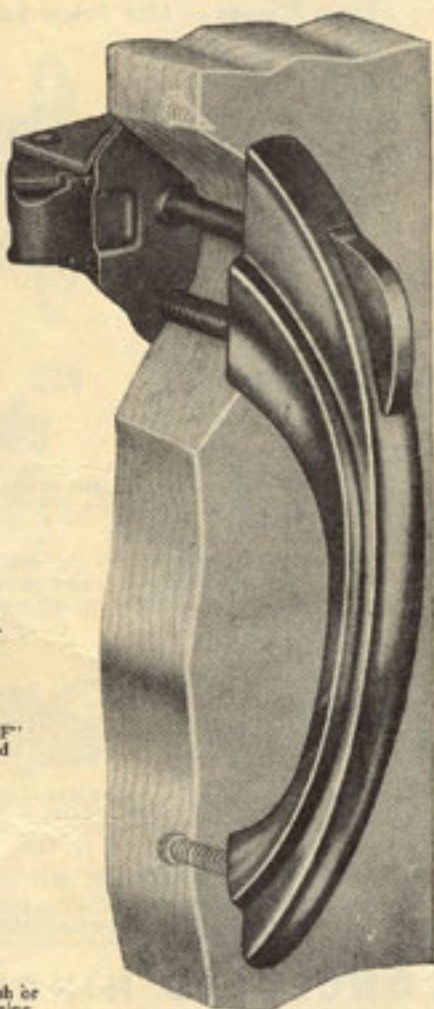

Catch Applied to Flush or Overlapping Door Using "F" Strike Applied to Under Side of Shelf. Suggested for Double Door Installation.

No. E314 Door Pull— $\frac{1}{2}$ Actual Size Steel— $2\frac{3}{4}$ " Centers, $4\frac{5}{8}$ " Overall Polished Chromium Plated
List Price—\$2.22 each; \$2.64 doz.
One dozen in a Carton weigh $1\frac{1}{4}$ lbs
(Patent No. D140,759)
(Canada Rd. 1945)

No. E311 Drawer Pull—Actual Size Steel— $2\frac{3}{4}$ " Centers, $4\frac{1}{2}$ " Overall Polished Chromium Plated
List Price—\$2.22 each; \$2.64 dozen
One dozen in a Carton weigh $1\frac{1}{4}$ lbs.
(Patent No. D109,465)

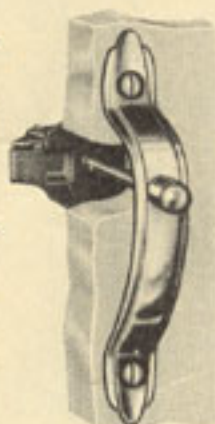

No. E9414 Catch—Actual Size Steel— $2\frac{3}{4}$ " Centers, $4\frac{5}{8}$ " Overall Polished Chromium Plated
List Price—\$5.50 each; \$6.00 dozen
One dozen in a Carton weigh $3\frac{1}{4}$ lbs.
(Patent No. D140,766)
(Canada Rd. 1945)

Reversible—for right hand or left hand doors up to $1\frac{1}{4}$ " thick. Patented winged latch bolt mechanism (Patent No. 2,233,278)—see full description under Catch No. E08760 on opposite page.

"D" Strike

"F" Strike

No. E9449 Catch— $\frac{1}{2}$ Actual Size Steel—3" Centers, $4\frac{5}{8}$ " Overall Polished Chromium Plated
List Price—\$5.44 each; \$5.28 dozen
One dozen in a Carton weigh $2\frac{1}{2}$ lbs.
(Patent No. D140,766)
(Canada Rd. 1945)

Patented winged latch bolt mechanism (Patent No. 2,233,278)—see full description under Catch No. E08760 on opposite page.

No. E349 Door Pull— $\frac{1}{2}$ Actual Size Steel—3" Centers, $4\frac{5}{8}$ " Overall Polished Chromium Plated
List Price—\$1.17 each; \$2.04 dozen
One dozen in a Carton weigh 1 lb.
(Patent No. D140,766)
(Canada Rd. 1945)

No. E339 Drawer Pull— $\frac{1}{2}$ Actual Size Steel— $3\frac{1}{4}$ " Centers, $4\frac{5}{8}$ " Overall Polished Chromium Plated
List Price—\$1.17 each; \$2.04 dozen
One dozen in a Carton weigh 1 lb.
(Patent No. D140,766)
(Canada Rd. 1945)

No. E540 Knob ($\frac{1}{2}$ Actual Size) 1" Diameter Steel, Stainless Steel Cap Polished Chromium Plated
List Price—\$1.17 each; \$2.04 dozen
One dozen in a Carton weigh 1 lb.

No. E545 Knob ($\frac{1}{2}$ Actual Size) $1\frac{1}{4}$ " Diameter Steel, Stainless Steel Cap Polished Chromium Plated
List Price—\$2.20 each; \$2.40 dozen
One dozen in a Carton weigh $1\frac{1}{4}$ lbs.

No. E3066 Steel Hinge ($\frac{1}{2}$ Actual Size) $1\frac{1}{2}$ " Joint— $2\frac{1}{4}$ " Wide For Flush Doors

No. E3068 Steel Hinge ($\frac{1}{2}$ Actual Size) $1\frac{1}{2}$ " Joint— $2\frac{1}{4}$ " Wide For $\frac{3}{8}$ " Offset Doors

Polished Chromium Plated
List Price—\$3.39 pair; \$4.68 dozen pairs
One dozen pairs in a Carton weigh 2 lbs.

SEMI-CONCEALED HINGES

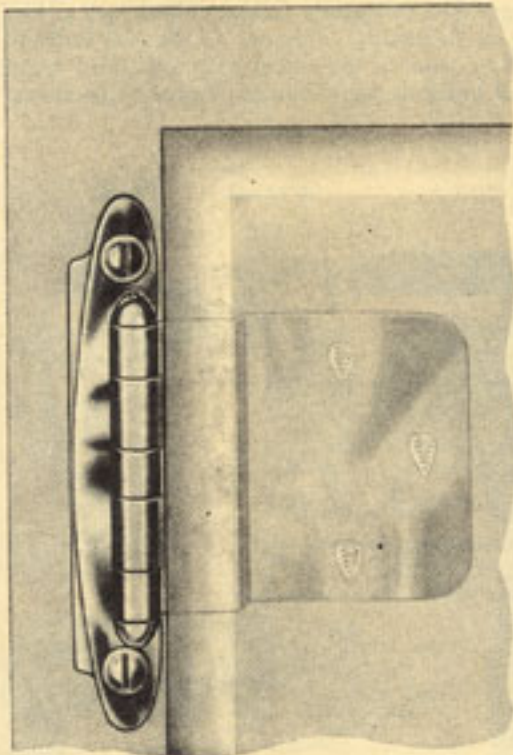

Beautiful new design (Patent No. D140,764) matches all Amerock patterns.

(Canada Rd. 1945)

Polished Chromium Plated

Steel Hinges — List Price \$4.44 pair; \$5.28 dozen pairs

Brass Hinges — List Price \$6.66 pair; \$7.92 dozen pairs

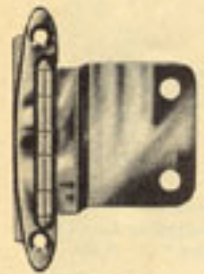

(Actual Size)

No. E7608 — Steel
No. E07608 — Brass
For Overlapping Doors
1/4" Inset or More

No. E7645 — Steel
No. E07645 — Brass
For Flush Doors

No. E7665 — Steel
No. E07665 — Brass
For 1/4" Flush Doors

Semi-Concealed Hinges show only the small leaf and joint when door is closed, see large illustration at left. Profile views show how raised five knuckle joint permits full backswing of hinge preventing any possibility of strain on hinges and screws.

No. E7638 — Steel
No. E07638 — Brass
For Overlapping Doors
3/8" Inset

No. E7612 — Steel
No. E07612 — Brass
For Overlapping Doors
1/2" Inset

No. E7658 — Steel
No. E07658 — Brass
For Overlapping Doors
3/8" Inset

No. E7634 — Steel
No. E07634 — Brass
For Overlapping Doors
3/8" Inset

Shipping weight—One dozen pairs in a Carton No.'s E7608, E07608, E7645 and E07645 weigh 1 1/2 lbs. per dozen pairs. Other hinges weigh 2 1/4 lbs. per dozen pairs. Each pair individually wrapped and packed in printed Envelope complete with screws.

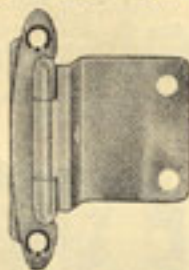

"PAINTOVR" SEMI-CONCEALED HINGES

Prime Coat finish for painting over same color as cabinets.

List Price — \$2.22 pair; \$2.64 dozen pairs.*

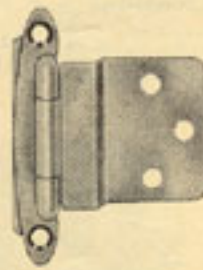

No. E7945 — Steel
For Flush Doors

No. E7965 — Steel*
For 3/8" Flush Doors

No. E7308 — Steel
For Overlapping Doors
3/8" Inset or More

No. E7338 — Steel*
For Overlapping Doors
3/8" Inset

No. E7312 — Steel
For Overlapping Doors
1/2" Inset

No. E7358 — Steel
For Overlapping Doors
3/8" Inset

No. E7334 — Steel
For Overlapping Doors
3/8" Inset

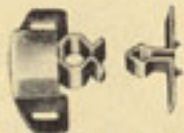

Improved raised joint construction (Patent Applied For) permits full backswing of lip doors and provides extra clearance for paint to prevent "rubbing off" or "chipping". (Patent No. D140,764 — Canada Rd. 1945).

Shipping weight—One dozen pairs in a Carton No.'s E7308 and E7945 weigh 1 1/2 lbs. per dozen pairs. Other Hinges weigh 2 lbs. per dozen pairs. Each pair packed with screws in printed envelope.

* CABINET MAKER PACK — Nos. E7965 and E7338 Bulk packing, one dozen pairs in Carton (not wrapped) complete with screws. List Price \$2.42 per doz. pairs.

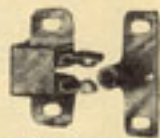

ILLUSTRATIONS ONE-HALF ACTUAL SIZE UNLESS OTHERWISE SPECIFIED

FRICTION CATCHES

No. E9700 "Flexigrip"
(Patent No. 2,376,325)
(Patented 1945 Canada)

Exclusive "floating" fingers with lifetime conical spring provide smooth yet positive action. See typical applications below. Bright Cadmium Plated—
List Price—\$1.11 each; \$1.32 per dozen
2 dozen in a Carton weigh 1½ lbs.

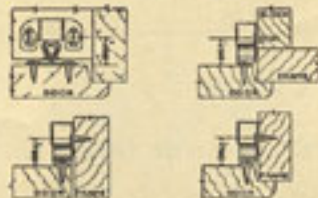

No. E9708 "Velvogrip"
(Patent No. 2,376,325)
(Patented 1945 Canada)

Same "floating" fingers and conical spring action as No. E9700 except catch mounted on door, see typical applications below. Bright Cadmium Plated—
List Price—\$1.11 each; \$1.32 per dozen
2 dozen in a Carton weigh 1½ lbs.

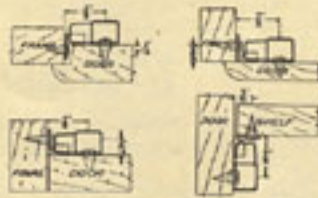

No. E3655 "Roll Point"
(Reg. U. S. Pat. Off.)

Each Catch supplied with both "S" and "T" Strikes for flush and offset doors, see typical applications below.
Bright Cadmium Plated
List Price—\$1.11 each; \$1.32 per dozen
2 dozen in Carton weigh 1½ lbs.

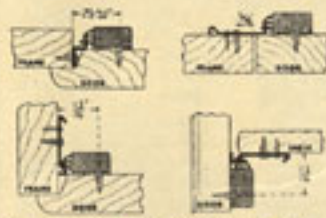

No. E9700 Cabinet Maker Pack

Same as No. E9700 except packed 3 dozen bulk in a Carton for quantity users. Catches, Strikes, and Screws in separate small containers to prevent "mixing". Bright Zinc Plated—List Price—
\$13.75 per gross. 3 dozen in a Carton weigh 2 lbs.

No. E9708 Cabinet Maker Pack

Same as No. E9708 except packed 3 dozen bulk in a Carton for quantity users. Catches, Strikes, and Screws in separate small containers to prevent "mixing". Bright Cadmium Plated—List Price—
\$13.75 per gross. 3 dozen in a Carton weigh 2 lbs.

No. E3655T Cabinet Maker Pack

This is the genuine "Roll Point" Catch packed 3 dozen bulk in a Carton for quantity users. Catches, "S" and "T" Strikes, Screws, and Escucheon Pins in separate small containers to prevent "mixing". Bright Cadmium Plated—List Price \$13.20 per gross. 3 dozen in a Carton weigh 2 lbs.

No. E3680 "Dorfast"

Improved construction and special tempered steel prevents breakage. Prongs locate strike automatically on door. Bright Cadmium Plated—
List Price—\$1.07 each; \$1.28 doz.
3 dozen in a Carton weigh 1½ lbs.

No. E3675 "E-Z-Flex" Elbow Catch

Genuine piano wire spring assures snappy action and long life. Bright Cadmium Plated—
List Price—\$1.09 each; \$1.28 doz.
2 dozen in a Carton weigh 1½ lbs.

No. E3674 "Roll Point"

(Reg. U. S. Pat. Off.)
Catch ¾" diameter; ½" depth of boring.
Brass Finish—List Price—\$4.40 doz; \$4.73 gross. ½ gross in a Carton (not individually packed) weigh ¾ lb.

No. E3150 Drawer Pull

3¼" Centers — 4¾" Overall
Polished Chromium Plated — Black Lines
List Price—\$1.28 each; \$3.36 dozen
One dozen in a Carton weigh 1½ lbs.

Sweeping streamline design with generous room for fingers make this pull particularly suitable for store fixtures, restaurant equipment, etc.

No. E207 Bread Board Pull

2¾" Centers — 2¾" Overall
Chromium Plated
List Price—\$1.11 each; \$1.32 doz.
Three dozen in a Carton weigh 1½ lbs.

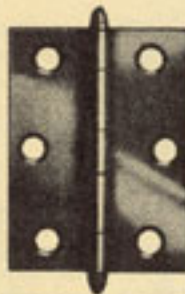

No. E550 Bread Board Knob

Steel — ¾" Diameter
Chromium Plated
List Price—\$1.11 each; \$1.32 doz.
One dozen in a Carton weigh ½ lb.
Fixed wood screw is an integral part of knob and cannot come loose at any time.

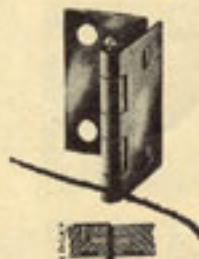

No. E7515 — 2" x 1½"

Loose Pin — Bullet Tip
Steel — Polished Chromium Plated
List Price—\$4.44 pr; \$5.28 doz. prs.
One dozen pairs in Carton—1¾ lbs.

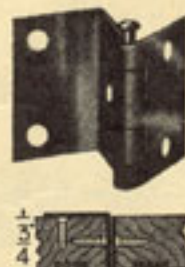

No. E7525 — 2½" x 1½½"

Loose Pin — Bullet Tip
Steel — Polished Chromium Plated
List Price—\$5.50 pr; \$6.00 doz. prs.
One dozen pairs in Carton—3 lbs.

No. E5908 — 1½" Joint

Loose Pin — Bullet Tip
For ¾" Plywood Doors
Steel — Polished Chromium Plated
List Price—\$4.44 pr; \$5.28 doz. prs.
One dozen pairs in Carton—2¼ lbs.

No. E5907 — 1½" Joint

Loose Pin — Plain Tip
For ¾" Plywood Doors
Steel — Prime Coat Finish
List Price—\$3.22 pr; \$2.64 doz. prs.
One dozen pairs in Carton—2¼ lbs.

White Line

IVORY
Black Line

Be sure to specify color wanted on order!

New Color Trim Pull has generous room for fingers — sweeping streamline design. Reinforced wrought steel construction with liquid plastic colors baked-on for permanent beauty. Washable — will not fade, tarnish or chip — and unaffected by heat or cold.

No. C557 Knob
1" Diameter
List Price—\$5.10 each; \$1.20 dozen
One dozen in a Carton weigh 3/4 lb.

Wintite SASH LOCK

(Patent No. 2,151,219)

MADE OF HEAVY WROUGHT STEEL, BRASS OR BRONZE

NO RATTLE—NO DRAFT. Eccentric action draws upper and lower windows tightly together providing air-tight joint.

NO SIDE-SLIP. Straight pull makes "Wintite" especially suitable for weather-stripped windows. Ideal for air-conditioned homes and buildings and for replacement purposes.

TAMPER-PROOF. Draw-bar locks in place — cannot be moved without turning handle.

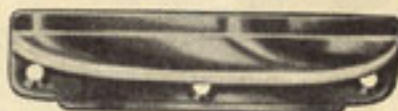

TEMPLATE FOR EASY INSTALLATION. Template included with each "Wintite" Sash Lock automatically locates screw holes for easy application.

No. E7020 WROUGHT STEEL		FINISH	No. EO7020 BRASS or BRONZE	
Each	Dozen		Each	Dozen
\$0.39	\$4.68	Bright Brass (U.S.3)	\$0.66	\$7.92
.39	4.68	Dull Brass (U.S.4)	.66	7.92

.55	6.60	Dull Nickel (U.S.15)	.77	9.24
		Polished Chromium (U.S.26)		

Each Sash Lock with Screws and Template in a Printed Envelope. Packed 1 dozen in a Carton; 12 Cartons (1 Gross Locks) in a Case. Weight: 2 1/4 lbs. per dozen.

NEW Amerock SASH LIFT

(Patent No. D126,567)

STREAMLINED for BEAUTY—ENGINEERED for STRENGTH

Positive finger-grip for raising window — comfortable smooth surface for lowering. The first improvement in sash lift design in generations! Made of Heavy Wrought Steel, Brass or Bronze in finishes specified below:

No. E7220 WROUGHT STEEL		FINISH	No. EO7220 BRASS or BRONZE	
Each	Dozen		Each	Dozen
